Features

Refer to product technical data sheets; CTF-FS1, CTF-FS2, CTF-01, CTF-02, CTF-04, CTF-05, CTF-10, CTF-Amagel, CTF-VIP.

Storage & Handling

Refer to product technical data sheets; CTF-FS1, CTF-FS2, CTF-01, CTF-02, CTF-04, CTF-05, CTF-10, CTF-Amagel, CTF-VIP.

Installation & Fixing

Refer to product technical data sheets; CTF-FS1, CTF-FS2, CTF-01, CTF-02, CTF-04, CTF-05, CTF-10, CTF-Amagel, CTF-VIP.

Protection

Adequate temporary protection must be provided above the installed insulation system especially where any of the following occur:

- Unloading materials onto roof
- Temporary walkways and access
- Storing materials on roof
- Or any other activity that can cause damage to the system

Technical Data

Refer to product technical data sheets; CTF-FS1, CTF-FS2, CTF-01, CTF-02, CTF-04, CTF-05, CTF-10, CTF-Amagel, CTF-VIP.

Under no circumstances should the system be used as a working platform including skips, scaffolding or other trades material storage unconnected to the roofing works.
